AMBASSADOR'S MESSAGE

Dear fellow citizens,
Dear partners and friends,

The present Newsletter is a collection of key activities and interventions the Embassy and its Cooperation Office undertook during the year of 2022.

The celebration of the 30th Anniversary of Diplomatic Relations between Switzerland and Georgia was a definite highlight of 2022; therefore, we opted to dedicate to it an entire chapter and present all the initiatives we organized to commemorate this milestone. From the official launch of the Cooperation Programme 2022-2025, which is a clear declaration of Switzerland's continuous support to the democratic agenda of Georgia, to an extended celebration of the Swiss National Day on August 1, the activities covered a wide range of Switzerland's support to Georgia and diverse areas the two countries cooperate on.

Along with the official launch of the Cooperation Programme 2022-2025, the Cooperation Office kicked off new projects and new phases of existing projects which offer hands-on experience, knowledge and expert faculty to address pressing topics, inter alia, food safety, migration, and unemployment.

The year of 2022 saw high profile visits both in Georgia and Switzerland, which further underpins the ever strengthening ties between the two countries.

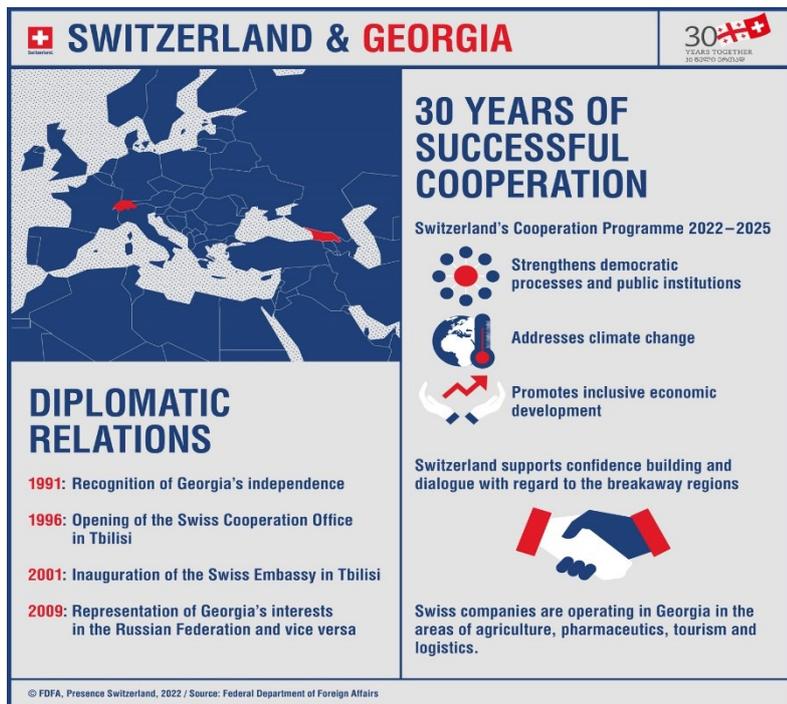

Last but not least, through our Consular department, the FDFA has presented an app "SwissInTouch", which is an additional and complementary tool to keep you, dear compatriots, posted on each and every update coming from Switzerland or from our representation.

I wish you a Merry Christmas and a Happy New Year!
